Eric,

I appreciate the document you provided me. I have only scanned through it, but it will be a valuable reference for the West Response.

Do you have a copy of the disaster declaration for the West site? If so could you send a copy to me.

Also, I will not be attending the meeting with City officials in the morning. I discussed the matter with my Manger and it was decided that I would not attend. If I can provide any assistance please let me know.

Thanks,
Don
